

# GET ACTIVE

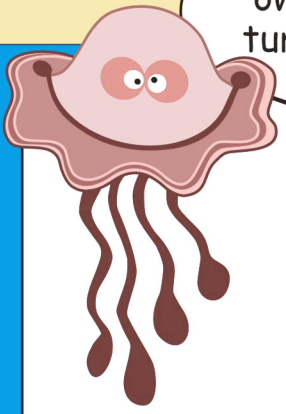

"Try to get the hatchling turtles through the maze, and past all the dangers, to the safety of the open ocean!"

FINISH

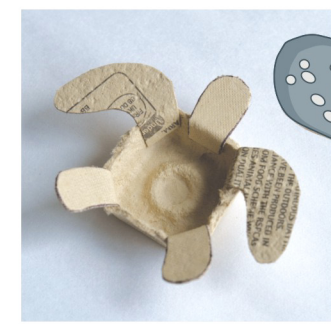

"Why not make your own egg-box hatchling turtles? - six from just 1 egg box!"

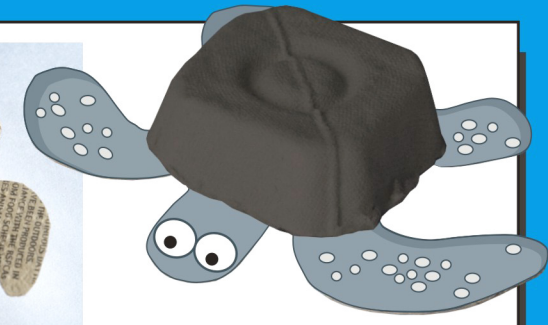

1) Cut each egg compartment off to make a little shell

2) Use the egg box lid to cut out two longer front flippers and two shorter back flippers and a head

3) Glue these on in the correct places and paint

You will need: egg box, scissors, glue and paints
